20 February 2018

Dear Parents/Guardians,

2018 OUTDOOR LEARNING WEEK: PROJECT 1-10

Our outdoor learning week, Project 1-10 (Term 1 Week 10) is here again! It is the time of the year where we enjoy learning outdoors as a school. This is a week of learning in which we stimulate and challenge our pupils and enhance their learning by taking them out of their classrooms. Pupils will get the opportunity to immerse themselves in the learning journeys and activities especially lined up for them in Week 10. The learning journeys and workshops will be conducted during curriculum time. As such, all the boys are expected to take part in all the activities and excursions and that attendance is compulsory.

Please take note that Friday, 9 March 2018 is Lasallian Staff Training Day for all our teachers and pupils are not required to report to school. There will be home-based learning given to them by their respective teachers.

Attached is the schedule that provides an overview of the week's schedule for the level. For all pupils in P1 to P6, please acknowledge this letter and return the acknowledgement slip to your son's form teacher by Tuesday, 27 February 2018.

Thank you.

Yours sincerely,

Janet Tan (Mrs)
Assistant Year Head

Timothy Goh (Mr)
Principal
