Dear Parent / Guardian,

Workshop on Managing iPads for Parents of Primary 4 Classes

Welcome to 2018!

We are organising a workshop to guide you through how to set up basic monitoring mechanisms on your child's/ward's iPad. This is a hands-on workshop, and your child's/ward's teachers will be there to take you through some of the following topics. As such, you should come with your child's device to benefit from this session. The workshop will cover the following topics:

1. How to set up good security practices/habits in the house
2. Preventing accidental purchases by setting up an Apple ID account for a child under 13
3. Limiting unsupervised use of iPad through setting up the Parental restrictions and app monitoring

To help you familiarise with your child's/ward's teachers, the workshops are scheduled in the following manner:

| Dates | Classes Involved | Venue: | Time: |
|-------------------------------------|------------------------------------|--------------------|------------------|
| 13 th January 2018 (Sat) | 4 Patrick, 4 Michael, 4 Stephen | The Star (level 2) | 8:30am – 10:00am |
| 26 th January 2018 (Fri) | 4 Anthony, 4 Joseph | The Star (level 2) | 5:30pm – 7:00pm |
| 2 nd Febuary 2018 (Fri) | 4 Gabriel, 4 Raphael | The Star (level 2) | 5:30pm – 7:00pm |

Should you be unable to attend the session allocated for your child's/ward's class, you can choose to opt for another date. Please confirm your attendance by registering through the school website (www.sjjjunior.moe.edu.sg).

Yours Sincerely,

Ang Su-Juin
