

ST JOSEPH'S INSTITUTION JUNIOR

A Lasallian School of the *De La Salle* Brothers

REF: SJIJ/2017/01/457

17th January 2018

Dear Parents/Guardians,

SJI Junior Tamil Star (தமிழ்த் தாரகை)

The Tamil Language department has introduced the SJI Junior Tamil Star programme this year. The objective of this programme is to develop your son's interest in the Tamil Language while helping him become more proficient in it.

I have enclosed the Tamil Star card with this letter. Each card has two main categories; activities to be completed at home and in school (within a semester).

You will have to observe your boy to ensure he completes the required activities at home. Once you observe an activity being performed successfully, please sign against the said activity on your son's Tamil Star card. His teachers will monitor and sign against the activities in school.

A Tamil Star Gold Award will be awarded to students who have completed all the activities indicated in the Tamil Reward Card.

We look forward to partnering with you to make Tamil fun and uncomplicated for your son!

Yours sincerely,

Mrs Suhanthi Ise
