

ST JOSEPH'S INSTITUTION JUNIOR

A Lasallian School of the De La Salle Brothers

REF: SJJI/2018/01/496

31 January 2018

Dear Parents/Guardians,

Primary 1 Holistic Assessment 2018

In alignment to recommendations by MOE Primary Education Review and Implementation (PERI) Committee, our school has embarked on Holistic Assessment for P1 pupils. Thus, your son/ward will sit for bite-sized assessment tasks in various subjects. Besides catering to a wider range of learning styles, these tasks will give him more opportunities to showcase his learning. These assessments also allow his teachers to assess his mastery level, check for misconceptions and provide timely feedback for learning.

The progress your son/ward has made will be reported at the end of each semester in his report book. Please take note that the report will not show the class or level position. Instead, it shows his positive development and encourages him to put do his best.

We would like to share the assessment plan for Primary 1 pupils. Please take note of the Social Studies performance task which is shared in the second letter.

Thank you for your kind attention.

Yours sincerely,

Mrs Chitra Segar
Year Head

Mr Timothy Goh
Principal
