Dear Parents/ Guardians,

RE: Labora Expedition to Philippines

We are glad to inform you that your son has been nominated for Labora Expedition to Philippines from 2 September to 5 September 2018. The Labora Expedition serves as one of the key milestones of a Josephian's leadership experience in SJIJ.

The objective of our trip would be as follows:

- our Primary 5 Student Leaders to immerse themselves in the work of the Lasallian community at Lasalle Green Hills, Philippines
- our student leaders to immerse themselves in the culture of the Lasallian community in the Philippines
- our student leaders to apply what they have learnt in Green Hills in their service to the school upon their return.

The selected 18 pupils will travel to Philippines with 3 accompanying teachers and they will be housed in the dormitories of Lasalle Green Hills, Philippines. All expenses will be paid for by the school.

Each nominated pupil will be given an application booklet which requires the pupil to furnish information like his attendance in CCA, his service to school and his own reflection. Based on the application, the pupil will be shortlisted for the trip.

To ease the travel and logistical arrangements, we seek your acknowledgement of your son's nomination. Further information on this trip will be made available once your son's selection is confirmed.

Thank you.
