Dear Parent/Guardian:

CHINESE READING PROGRAMME – “我爱阅读！”

1 We are pleased to inform you that a Chinese reading programme “我爱阅读！” will be carried out in class. This programme aims to:

- a. Cultivate and promote an interest in reading CL storybooks.
- b. Introduce at least 15 CL storybooks to every pupil by the end of the year.
- c. Enhance the bonding of parents and child through reading together.

2 Once a week, your child’s Chinese teacher will distribute 1 storybook to each child in the class. Your child will be allowed to bring the book home and read till the following week. Every child will also be given a reading record card. We will need your help to acknowledge that the book has been read by signing on the record card every week.

3 To maximize the reading enjoyment of every child, we hope that you will help us to reinforce the importance of exercising due care when reading the books. In the event of a lost or damage book, we seek your understanding that a replacement cost of \$10.00 will have to be paid to the school.

4 In order to make this programme successful and beneficial for your child, your support in this reading programme is crucial and essential. We seek your aid to encourage your child to read CL storybooks and return them promptly. Together, let us motivate your child to love reading CL books!

Yours Sincerely,

Ms Karen Ho
