Dear Parents/Guardians of 2023 Primary One pupils,

## **WELCOME TO THE ST JOSEPH'S INSTITUTION JUNIOR PARENT-TEACHER ASSOCIATION (PTA)**

On behalf of the SJI Junior 53<sup>rd</sup> Parent-Teacher-Association (PTA) Management Committee (MC), we warmly welcome all of you, our new members to the PTA family!

The PTA was registered back in 1969 and we are unique as the PTA is a registered association joined by both parents and staff (refer to: <https://sijjunior.moe.edu.sg/pta/pta-constitution>). The objective of the PTA is to promote the general welfare and well-being of the pupils of the School by:

- a. Affording opportunities for discussion and explanation in matters relating to the education of the pupils;
- b. Promoting close co-operation and understanding between parents (the term parents in these rules includes guardians), the Principal and teachers; &
- c. Encouraging social activities and relationship among parents and teachers.

Enrolment of PTA Parent-Membership is automatic upon the admission of the pupil into the school with an one-time subscription fee of \$30.00, which is based on a “per pupil” basis and is regardless of the number of years the pupil remains in the school. Payment for pupils on MOE Financial Assistance Scheme or SMC Financial Assistance Scheme will be waived. More information on payment of the PTA subscription fee and how the fund collected will help to defray some of the PTA programmes that are organised in collaboration with the school for all the boys during their 6 years in SJI Junior will be presented to you during the P1 Orientation talk.

In the meanwhile, you can also visit the <https://www.facebook.com/sjjjunior/> to look at some of the PTA activities organised for the pupils and their families.

Thank you and we look forward to you coming forward to be a supportive partner of the school by building a community of staff, students and parents/guardians that foster learning and living cohesively.

Yours Sincerely,

Mr Mark Lim  
PTA MC President

Mr Eric Leong  
Principal
