CATHOLIC PROGRAMME

- As a Catholic school, we hope to reinforce our Catholic values and emphasize the importance of living the faith in our Catholic pupils.
- It is **COMPULSORY** for all Catholic pupils and pupils who were registered under the P1 Registration Phase 2B (Catholic Phase) to attend Catechism lessons in school.
- As recommended by the Archdiocesan Commission for Catholic Schools (ACCS), we are using the “Walking with Jesus” Bible Programme syllabus for our weekly Catechism lesson during curriculum time.
- Non-Catholics will attend a similar Ethics programme.

CATHOLIC PROGRAMME

- The school's Catechism Programme is **NOT** equivalent to the Catechism Programme organised by the parish in Singapore Catholic Churches.
- It does not prepare children for the Sacraments of First Eucharist, Confirmation and Reconciliation.
- Therefore, Catholic parents are reminded to also sign up their sons for the Parish Catechetical Programme.
- Masses on Days of Obligations would be organised in the school for all our Catholic pupils.

IMPORTANCE OF SCHOOL ATTENDANCE

- Compulsory Education Act
- Absences must be covered by medical certificates from doctors (if the child is unwell) or letters from parents (in other cases)
- Absences without valid reasons are not acceptable
- The following examples of reasons for absences are considered non-valid:
 - Going on holiday overseas during the term
 - Overslept

BIRTHDAY CELEBRATIONS

- Teachers do acknowledge and mark the birthdays of boys and encourage the class to make it special
- In view of very tight school hours and in consideration of sensitivities, parties like those in Pre-School will not be allowed
- Party bags with food items are not allowed

HANDLING DIFFICULT SITUATIONS

- Sometimes what is shared is inaccurate
- Clarify with the teachers and school
- Do not confront other parties on your own
- Allow boys to experience difficulties but learn from them

Sharing by Vice-Principal (Admin)

SAFETY AND SECURITY

SAFETY AND SECURITY IN SCHOOL

- Safety and security of all students are paramount
- Important for all students to develop safety awareness and inculcate the right habits at the start of their school life
- Safety and security information will be shared through assembly talks, display of safety messages, screening of safety videos, conduct learning journeys, letters to parents, etc
- Regular practice of emergency drills (eg. temperature taking, evacuation drills, lockdown drills)
- Parents play an important role, we seek your co-operation to work hand-in-hand with the school
