Dear Parents / Guardians,

RE: Setup of communication app C2hamps

C2HAMPS is an online portal and app developed for schools. It allows schools to enhance the communication, dissemination and collection of information from school to parents. Information from schools can be delivered to end users via email, SMS or mobile notifications via C2HAMPS app.

Parents are able to receive and send messages to teachers through the system. For users who are not using any of the supported mobile devices, they would still be able to log on to the web portal to view the mobile notifications and access other functions.

How to access C2HAMPS

Go to Web portal URL : <https://sji jr.c2hamps.elchemi.net>
or download C2HAMPS mobile app on iOS and Android platforms.

iOS App

<https://itunes.apple.com/sg/app/c2hamps/id1031536075?mt=8>

Android App

<https://play.google.com/store/apps/details?id=net.elchemi.c2hamps&hl=en>

Search for school name by typing in Full:- Saint Joseph's Institution Junior

How do Parents Login?

Default login ID for parents is your child's BC number appended with a 'P' followed by a "_1" or "_2" depending on which parent is accessing the app.

Eg : Child's BC number if T0123456Z, Father's login ID would be PT0123456Z_1
and Mother's login would be PT0123456Z_2

Default password is your child's BC number with alphabets in capital letters.
