Dear Parents/Guardians,

SJI Junior Chinese Star Programme (华文之星) (P3/P4)

SJI Junior Chinese Star Programme aims to cultivate your child's interest in the Chinese Language, with a view of improving language proficiency.

2 To facilitate the conduct of this Programme, your child/ward will receive 2 Programme cards, namely 'At Home' and 'In School'. Each programme card will indicate the activities to be completed at home and in school within each semester.

3 The 'At Home' programme card may be kept at home for you to complete the activities with your child. Once an activity has been completed, you are required to pen down your signature in the Programme card and indicate the activity done. Our teachers will monitor and sign for activities that are conducted in school using the 'In School' programme card. It is strongly encouraged for your child/ward to complete each of the stipulated activities at least once.

4 To encourage learning for your child, a Chinese Star Award certificate and badge will be awarded to students who have achieved the required number of activities stipulated under the Programme. There are a total of 6 collectible badges. A Chinese Star student will also be selected from each class per semester.

5 We look forward to partnering you for a fulfilling learning journey with your child.

6 Thank you.

Yours sincerely,

Mr Vincent Teo
