Dear Parents/ Guardian,

### **RE: JOB WEEK WITH SJI SCOUTS**

Dear Parents/ Guardian,

It is a Scouting tradition for our Cub Scouts to perform jobs during the Job Week period and subsequently, collect fees to raise funds. All proceeds from Job Week will go into supporting your child's Scout programmes and activities, to prepare them for a purposeful and responsible adulthood.

Job Week 2019 is a key educational experience for all Scouts. The main purpose is to inculcate the dignity of labour and the value of honest work. These values are important to develop our youths to be better citizens of the 21<sup>st</sup> Century and is an integral part of the Scouts programme.

This year, we are fortunate to collaborate with SJI Scouts for Job Week on Monday, 18<sup>th</sup> March 2019. Our Cub Scouts will be led by the SJI Scouts who will teach and guide our boys during this activity. Our Cub Scout Leaders will be accompanying each patrol group to ensure safety.

Our main focus is to have the older Josephians to guide the younger ones to be of service to others and hope that they will pick up skills and leadership qualities.

The details are as follows:
